A VETERAN'S VERDICT.

The War is Over. A Well-known Soldier, Correspondent and Journalist Makes a Disclosure,

Indiana contributed her thousands of brave soldiers to the war, and no state bears a beta ter record in that respect than it does. In iterature it is rapidly acquiring an enviable place. In war and literature solomon Yewell, well known as a writer as "Sol," has won an honorable position. During the late war he was a member of Co. M. 2d. N. Y. Cavalry and of the 13th Indiana Infantry Volunteers. Regarding an important circumstance he writes as follows:

"Several of us old veterans here are using Dr. Miles' Restorative Nervine, Heart Cure and Nerve and Liver Pills, all of them giving splendid satisfaction. In fact, we have never used remedies that compare with them. Of the Pills we must say they are the best combination of their nature we have ever known, We have none but words of praise for them. They are the outgrowth of a new principle in medicine, and tone up the system wonderfully. We say to all, try these remedies are sold by all druggists oh a positive guarantee, or sent direct by the Dr. Miles Medical Co., Eikhart, Ind., or receipt of price, \$1 per bottle, six bottles \$6, express prepaid.
